COTTAGE & SOFT CHEESE

Cream Cheese and Cottage Cheese... oh yes please! A Luxury Flavour from both. Cream Cheese is ideal for cheesecakes and as a dip while our Cottage Cheese is hand made with a creamy dressing... the best from the West.

Cottage & Soft Cheese

Using traditional farmhouse methods, we produce soft cheese which is rich, perfect in texture and full of flavour.

Our cottage cheese is produced in the time honoured batch method, then hand cut, the curds are mixed with a creamy dressing, making it one of the best available on the market.
